2011 Nutrena/USEA American Eventing Championships, Presented by Bit of Britain

September 8-11, 2011 • Chattahoochee Hills • Fairburn, GA

The Nutrena/USEA American Eventing Championships, presented by Bit of Britain, are the national championships for the sport of eventing. Amateurs, juniors, and professional riders alike can compete at any level from Beginner Novice through Advanced to test their mettle against the best in the country, and vie for exciting prizes, cash, and the chance to be named the best in the nation at their respective levels. The AEC has been known to draw more than 647 entries and approximately 20,000 spectators from all across the country.

After successful tenures in Southern Pines, North Carolina and Wayne, Illinois, this is the second of three years at the new world-class Georgia facility. Chattahoochee Hills Eventing is a relatively new equestrian facility on 8,000 lush acres located along the Chattahoochee River in the heart of South Atlanta in Fairburn, Georgia. Last year, a record-breaking 647 starters competed at the AEC! Sponsors have lined up to showcase their brands through this unique opportunity.

It wouldn't be the Nutrena/USEA American Eventing Championships if there wasn't the promise of highly anticipated cash and prizes up for grabs! Over \$70,000 in prize money and tens of thousands of dollars in prizes are once again on the line at this year's competition, thanks to our numerous sponsors. This year is sure to be better than ever with the popular \$25,000 Merit Advanced class once again drawing in top riders from across North America.
