Medal Program Requirements

General Requirements

- Beginning with results from **February 1, 2009 and onward**.
- An individual must have a current USEA Membership at the time scores are achieved. This includes the Beginner Novice level.
- A horse must be registered as required for the level at which it is competing. Horses competing at Beginner Novice must have at least a USEA Limited Horse Registration at the time scores are achieved.
- XC Jump Penalties must be 0 and all three phases completed for score to be considered for a medal.
- Venue is defined by location of the event, not the competition. For example, to earn a medal that requires scores be obtained at three separate venues, an individual could not submit scores from three separate competitions all located at the Kentucky Horse Park.
