## Professional Horsemen's Council

Reports to: VP Active Athletes

The Professional Horseman's Council consists of active members of the United States Eventing Association who also derive their livelihood from some aspect of the sport of Eventing. The purpose of the Council is to develop and provide educational information for the membership, to facilitate communications between professionals and the broader Eventing community, including officials, course designers, organizers and all competitors and to assist in the further development, growth and safety of our sport.

## Safety and Equine Welfare Committee

Reports to: VP Safety

To review competition reports related to safety and equine welfare items and to identify current and potential concerns. To research these current and potential safety concerns and takes action to develop guidelines by which to improve the safety of the sport for human and equine participants. To communicate these guidelines to the membership to increase their awareness of safety issues through rule implementation, procedural recommendations and educational information which is shared with the membership.

## Integration Task Force

Reports to: VP Membership & Program Development

Create a clear and accessible systems demonstrating the available "pathways/pipeline" to different goals and results desired by the different constituencies in our membership. Members should see clear and simple pathways to their individual goals and feel that goal is accessible. Members should also see and feel that the USEA supports them regardless of where they enter the pathway or how far they intend to go. Develop awareness in the USEA community that there is attention being given and efforts being made for the benefit of all members. Discuss programs that can be created or enhanced to further the clarity of these pipelines.

## PHC Horsemanship Task Force

Reports to: VP Active Athletes

To insure that USEA and the Eventing community are recognized as the preeminent teachers and promoters of good horsemanship. Develop ways of promoting this knowledge as a resource for other equestrian sports. Insure that Horsemanship is a cornerstone of our culture. Establish and market the USEA website as the dominant site for information on horsemanship.

The Task force will discuss what we (USEA) can do to improve our teaching/promoting of Horsemanship and how we can increase our members awareness of how Horsemanship impacts them on a daily basis. Increase the emphasis on Horsemanship in all our current programs. Provide our officials and and our teachers with more tools to improve their development of horsemanship.
