#### **PUBLICATION PROFILE**

- Eventing USA offers advertisers a quality selling environment to an audience with concentrated buying power. The magazine's readers actively participate in the sport of eventing, comprised of dressage, cross-country and show jumping. Considered the triathlon of equestrian competition, eventing requires the purchase of more horse and rider equipment and other related products than any other equestrian discipline. This brings more impact to your advertising dollar.
- Eventing USA is the only national magazine devoted exclusively to eventing. We are very proud of our award winning publication printed bi-monthly by the United States Eventing Association, Inc. This 64-80 page full color magazine is distributed to over 12,000 members, from Beginner Novice level riders to Olympic gold medalists, including horse owners, trainers, grooms, officials and even family members. Everyone who loves eventing reads Eventing USA.
- Eventing USA provides quality educational material to its audience. Each issue gives insight to a variety of topics including training, nutrition, horse care, veterinary treatments, safety, competition results, current events, and more.
