ABOUT THE INTERCOLLEGIATE EVENTING PROGRAM

In 2014, the USEA Board of Governors approved the creation of the Intercollegiate Eventing Program as an official program of the USEA. Originally proposed with input from the Intercollegiate Eventing League, the program was established to provide a framework on which eventing teams and individual competitors could flourish at universities and colleges across the country. Collegiate athletic programs have been the training grounds for Olympians, amateur athletes, and professional athletes for generations. Enabling students to train in the Olympic sport of eventing is a natural addition.

There are no qualifications necessary for Championships but schools represented must be registered Affiliates of the USEA. Students must be enrolled as undergraduate students. They may compete in the USEA Intercollegiate Championships up to six months after graduating, allowing December graduates to compete in the May Championships. The 2022 Championships offers Beginner Novice through Advanced levels.

SCORING

At the Team Championships, each rider's score is multiplied by a coefficient appropriate for their level to account for differences in level difficulty and then the individual scores are added together to determine the team score. Teams may be made up of three or four riders at different levels. Only the best three individual scores will count towards the team score, so teams of four will have one "drop" score.

The coefficient system is as follows:

Beginner Novice: 1
Novice: 0.99
Training: 0.95
Modified: 0.9
Preliminary: 0.85
Intermediate: 0.75
Advanced: 0.65
CCI1*-L: 0.85
CCI2*-S: 0.8
CCI2*-L: 0.75
CCI3*-S: 0.7
CCI3*-L: 0.65
CCI4*-S: 0.6

SPIRIT AWARD

The coveted Spirit Award returns! The award is sponsored by Chattahoochee Hills, and the winning team will receive a refund on four entries.

A series of judged competitions will occur during the show weekend. Points for each competition will be awarded as follows: 1st place: 5 points, 2nd place: 3 points, 3rd place: 2 points, participating team: 1 point.

All contests will be judged by the Chattahoochee Hills Organizing Committee. Points will be awarded per school and official scores will be displayed on the show scoreboard. The team that accumulates the most amount of points over the weekend wins.

- Friday Night Relay Race: A relay team will be made up of three individuals (each school may enter multiple teams). It will be a relay race over fences and obstacles with the best time winning. Students need to bring stick ponies for the race. Please note that the course may change based upon ring availability.
- Most Spirited Cross-Country Crowd: A combined score will be given based on the most spirited fans watching cross-country (including tailgaters). The judges will be judging quality over quantity.
- Stall/Barn Decorations: Team decorations will be judged after cross-country on Saturday.
- Saturday Night Competitors Party: Teams will perform a song, group, or individual act to entertain the crowd.
