

2025 EVENTING RULES VARIATIONS FOR SHOW JUMPING JUDGES

USEA 2025

Below are some, but not all, variations to the USEF Jumper rules that you may encounter while judging Eventing show jumping at national Horse Trials. Please refer to *USEF Rulebook* for further details (ELOC 12/1/2024).

COURSE

Water Jump | Not permitted; however, a liverpool no wider than 1.8m with rails over the water is permitted (EV150.5).

If a liverpool is used at the Training level, it must be built as a vertical over the center of the liverpool tray and a straightforward alternative obstacle must be offered. (EV Appendix 1.3c).

Jump Cups for Rails | Minimum 20mm, Maximum 30mm (EV150.6).

Start and Finish Lines | Between 6m and 15m from the first and last obstacle (EV147.3).

Novice and Beginner Novice | Only the A element of a combination may be a spread fence (EV Appendix 1).

TACK/ATTIRE

Spurs | Maximum 4cm measured from boot to end of spur. Rowels must be smooth, no tines (EV Subchapter 9.4).

Martingales | Only unrestricted running martingales with rein stops or Irish martingales are allowed (EV Subchapter 10.3b). Double rein stops are not permitted (FEI EV Tack App).

SCHOOLING

Obstacles | Fences must not be raised more than 10cm above the maximum height permitted for the relevant level (EV111.5).

For Modified level and above, the warm up area must include at least four obstacles which are capable of being set as spreads. (EV 135.2d).

Placement Rails | Not permitted. Ground lines may be placed directly under, or up to 1m in front of the fence. (EV111.5).

Earphones | During warmup or training sessions, athletes and grooms may only wear one earphone while mounted (EV139.1).

EXECUTION OF TEST

Second Disobedience

Training and below | 8 penalties (EV128)
