As of July 28, 2020

Guidelines

The following COVID-19 guidelines must be adhered to while competing or attending the American Eventing Championships (AEC). Additionally, all Federal, State, and local laws that may be applicable must be followed. These laws are subject to change and are out of the control of the Organizing Committee (OC). The OC reserves the right to change the guidelines below as needed, when/if it becomes necessary. Failure to follow guidelines by anyone in attendance may result in their immediate disqualification and elimination from the AEC, as well as sanctions from the governing bodies of our sport. No refunds will be provided to anyone disqualified for failure to follow these guidelines.

If you are competing at the AEC or one of their essential support staff, an official, volunteer, or staff member, you must be able to assure the OC that neither you nor anyone in your household:

- Has tested positive or has been presumed positive for COVID-19 at any time during the past 14 days.
- Has been advised by a healthcare professional to self-quarantine at any time during the past 14 days.
- Has been in close physical contact with someone who has tested positive for COVID-19 or who has been presumed positive for COVID-19, during the past 14 days.
- Is subject to a quarantine order or a recommendation of a healthcare professional that, in either case, would make it inadvisable to attend a public event or competition.
- Has, within the past 24 hours, exhibited any of the following symptoms attributed to COVID-19, including but not limited to, a fever of 99.5° or greater, cough and/or shortness of breath.

Anyone answering YES to ANY of the above questions is NOT permitted to compete or attend the AEC. Additionally, anyone answering YES should contact the appropriate member of the OC to notify them of their condition.
