

Pathway to Move Up the Certification Levels:

The ECP Committee strongly recommends candidate coaches who wish to move up to another certification level, complete at least one of the following before attending an ECP Assessment.

- Attend a workshop as a full participating candidate coach.
- Attend a workshop as an auditor.
- Attend a hybrid workshop where the candidate coach teaches at least one lesson during the Workshop.
- Attend mentoring session(s) with an ECP Faculty member. Number of sessions will be assigned on a case-by-case basis depending on the candidate coach needs.
- Attend a one-day 'move up' workshop with other Area candidate coaches, which will be coordinated by the ECP Area Representative.

Coaches who are certified at Starter through Level III, must attend a Levels IV/V Teaching of Dressage and a Levels IV/V Teaching of Jumping Workshop before being eligible to attend an assessment for certification at those levels.

Additional Requirements:

- 3 Student Verification forms (at the level of certification candidate coach is seeking)
- Safe Sport Training
- Nationwide Criminal Background Check
- COI (Insurance)
- Signature on ECP Code of Conduct
- CPR
- First Aid
- Concussion Protocol Training
